Converse, Texas

Advertising Opportunities

We invite you to advertise with us. We have several opportunities for you to consider:

We have a video board at our Post where we rotate slides of our members, activities, and paid advertisements.

Currently we average between a 3 to 5 minute rotation, so your ad will be viewed a minimum of 12 times per hour and we're open an average of about 11 hours per day – 7 days a week.

Please contact our Post today to begin your service with us.

As an advertiser, you're interested in exposure. Our Post currently has over 1,200 members plus their families. In addition to the video board, we have a monthly newsletter that goes out to these members. Our web site currently averages over 6,000 visitors per month, an increase of over 40% from June 2006 to June 2007.

We have put together the following advertising rates located on the back of this flyer, including some package deals. You can't beat our rates anywhere!
