Dear Prospective Sponsor,

9 February 2008

On behalf of the members of our Post, I would like to invite you to help sponsor our first Legion Jubilee to be held at the Converse City Park on 6, 7, & 8 June 2008. Our American Legion Post is in the process of raising funds for a new building and we need your help. Within this letter you will find many, but not all, of the programs and institutions we support. Please take the time to look through this material and visit us on the web and decide to help us. A successful event requires many hours of planning and hard work. It also requires the support of our volunteers and sponsors.

This exciting event provides an excellent opportunity for exposure to the Converse and surrounding communities. Sponsorship opportunities are available at various levels and benefits, (see sponsor levels/benefits page). All proceeds will go to building a new facility for your local American Legion Post.

This year is our 40th anniversary. Our street was renamed to Legion Drive 35 years ago in recognition of the contributions we have made to the local community. We have over 800 Legion members, over 300 Auxiliary members, a Sons of the American Legion program with over 65 members, and one of the most active, involved and dedicated Legion Riders programs in the nation with over 125 members.

We support the wounded warriors who are hospitalized at Brooke Army Medical Center by donating time, money and emotional support. We have renovated facilities, donated toiletries, clothing, and recreational items at the Soldier Family Assistance Center and provided volunteers every month to the Lonesome Dove program who support our wounded warriors. We support our local families who are in need all year long, including during the holiday season with food baskets, gifts and dinners, and holiday parties for Children and Senior programs. In addition we support our youth through Boys and Girls State programs, Scouting, and scholarships. We also embrace our fellow veterans at the VA center, at the nursing center and at their homes.

After 40 years of serving our veterans and local community we now need to ask for generous contributions from donors like you. This will allow us to better serve the financial, spiritual and emotional needs of our local veterans, their families and our community. Since we are a non-profit 501c(19) veteran's organization, your donated items may be tax deductible. Please fill out the enclosed donor form and send to the address above, care of Building Committee Fund. Please feel free to contact Joe Guastella, Building Committee Representative, at (210) 683-6582. Thank you for your consideration and kind support!

Sincerely,

Nicholas Mills
