“We Put Converse on the Map”

Our American Legion Post is in the process of raising funds for a new Post Home and we need your help. Within these pages you will find several, but not all, of the programs and institutions we support. Please take the time to look through this material and decide to help us. We can use not only your financial support, but also your time, talents, and encouragement. Our American Legion family includes Legionnaires, Auxiliary, Sons of the Legion, and Legion Riders. Consider this an invitation to become involved and make a difference in people's lives.

In the last year alone we have donated over \$60,000 and over 11,000 man hours to the local community. We have also provided
