What are we doing?

This is our fundraising campaign to refurbish the entrance of our Post by constructing a flag and memorial monument. As part of this project, we will relocate our three flagpoles and install individual lighting for each flag, while also shifting the existing Post 593 monument to a new location near the church.

This area will serve as the first point of contact for our visitors, providing them with a lasting impression of our organization's values and commitment to honoring the sacrifices of those who have served our nation.

How will you achieve this?

To finance this initiative, we will be offering memorial bricks for a walkway and a backdrop to the monument. Some of the bricks will be used to create a walkway, and some will be used as backing to a wall. The memorial bricks will be a lasting tribute to the people, events, or organizations that have shaped our community. By purchasing a memorial brick, you will be leaving a lasting legacy for generations to come.
